NEW RENAULT OROCH

the essentials

**4 doors
and 5 seats**

**8" touchscreen
with
smartphone
replication**

**2 and 4 wheel
drive**

**loading
capacity
payload 680 kg**

**7 advanced
driver
assistance
systems**

drive a new trail

New Oroch refreshes its unique pickup style, with a trendy, well-proportioned, robust and muscular design. The new grill, bumper and wheels, the new truck bar and contrasting black design stand out from the crowd, while the completely new cabin is driven by roominess and technology. With four doors, five seats and a load capacity up to 680kg, it's the ideal companion for your road trip through life.

1. hill start assist: maintains brake pressure
2. 4X4 mode

explore the world in a drive

Whether you're driving off road, towing or heading into town, new Oroch has your back. With exceptional handling and active safety capabilities including multi-link suspension, power steering, stability, traction control and hill start assist, you're always in good hands. New 1.3 turbo engine and new CVT8 gearbox offer great performance and smooth driving both on road and off.

1. cargo box of 683 liters
2. eight folded fixing rings to make secure your cargo

load up your life

With its generous cargo box, 683 liters volume and up to 680kg payload, new Oroch offers an outstanding loading capacity. New Oroch is your daily partner for work and leisure: roof bars capable to support 80kgs, 8 folded fixing rings securing your cargo and removable tarpaulin will allow you to load it up and get on with your day.

1. driver's armrest
2. automatic air conditioning

comfort and smart technologies

With four doors and five real seats, new Oroch is a comfortable allrounder for every need. Completely redesigned interiors featuring high quality materials, new technologies with connectivity, and automatic air conditioning, it always offers the right ambiance for every trip. The new dashboard with floating multimedia screen keeps the driver focused, in control, and always fully informed.

1. rearview camera
2. digital display cluster

smart and intuitive interior

A bright new 8" touchscreen with wireless smartphone replication gives you simple, intuitive access to all your favorite applications. The new rearview camera helps you park easily and safely. With new Oroch every journey is easier, safer, connected and joyful.

7 advanced driver assistance systems

New Oroch features seven advanced driver assistance systems so you can enjoy every journey in complete safety.

electronic stability program
Automatically corrects your car's trajectory so you avoid dangerous skids.

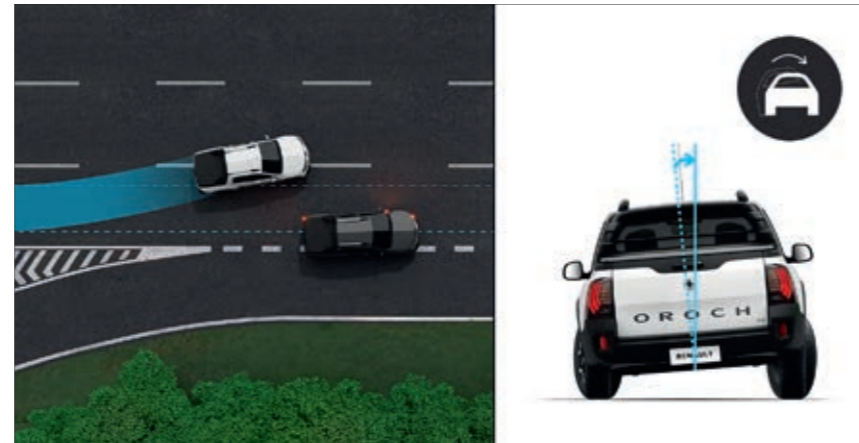

traction control system
Limits wheel slip during starting, acceleration and braking.

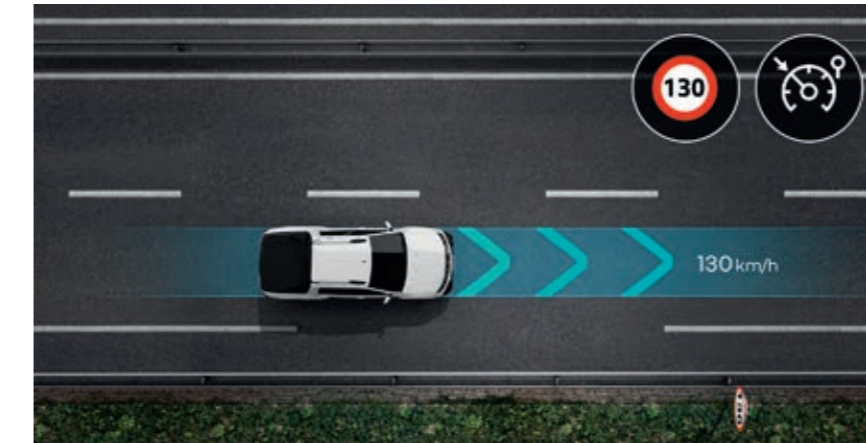

rear view camera
Shows the view from the rear on the multimedia touch screen as you reverse. Guides make maneuvers easier and simpler.

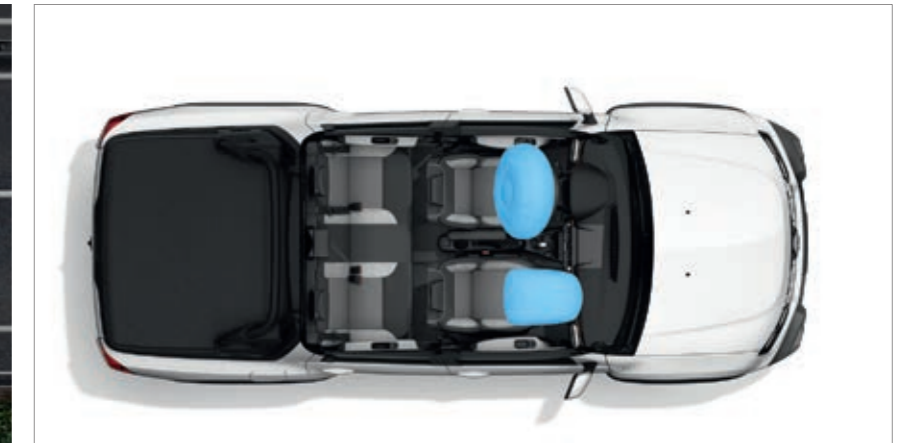

hill start assist
Maintains brake pressure for two seconds, preventing roll-back when you move away on a steep slope.

roll over mitigation
Increases vehicle stability when the risk of roll-over is high.

cruise control/speed limiter
Controls your speed using buttons on the steering wheel to reduce the risk of speed transgressions.

airbag
Two airbags protect you and your passenger in the event of collision.
